

A RECOMMENDATION FROM DR. JOEL WALKER

I, Joel Walker, was trained as a psychiatrist and have practiced in the field for over 30 years. Throughout my years, I've had many encounters with numerous health practitioners so I feel I am a qualified and capable source in making a recommendation on behalf of Justine Vo, Osteopath, Acupuncturist, Reflexologist and Nutritionist. In my opinion, Justine Vo is a true professional, who is extremely caring and compassionate, as well as having the most amazing ability to resonate with her patients.

I can feel her inner strength and spirit coming through her hands as she combines her many skills in correcting my posture, relieving my back pains and in teaching me many preventive measures to enhance my flexibility and balance.

Justine is very intuitive and insightful. She is a brilliant diagnostician. She is highly dedicated and passionate about her work going way beyond the call of duty. She is very ethical and has immense integrity as a person. I believe she is an inspiration to all her patients and clinicians as well. She is a rare treasure and I am honoured to be her patient.
